March 8, 2010

Dear Business Owner:

Alpharetta High School opened in the fall of 2004 and along with that the Alpharetta High School Band was created with 39 original band members. Five years later we have grown to 190+ members and are expecting to grow again this fall. We currently offer students performance opportunities with the Wind Ensemble, Symphonic Band, Concert Band, Percussion Ensemble, Jazz Band and our very popular award-winning Marching Raiders. Our ensembles are consistently rated superior at festivals and competitions! Highlight performances in our short history include yearly appearances at the GMEA District Band Festival, a trip to NYC for the National Concert Band Invitational at Carnegie Hall, and regular trips to the Florida coast to compete with our Marching Raiders. *It is great to be in Band at Alpharetta High School!!*

To keep our Band Program at AHS active and growing costs a lot. We are kicking off our 2010 - 2011 fundraising program with a very exciting project. We are publishing an Alpharetta High School Calendar for our students and staff. This academic year calendar will include all the key dates that students and parents need to know throughout the year as well as key contact information for our school administrators.

**HERE IS WHERE YOU WIN:** We plan to print 3000 copies of this calendar and personally distribute them FREE to all the families and staff at Alpharetta High School and other families in the Alpharetta area. We would like to include an ad for *your business* in this publication and would be happy to include a coupon or discount offer in your ad to draw customers to your business. We have developed several very reasonable ad pricing options. Specific details on these options are noted on the attached order form. If you have additional questions on this program, please contact our Band Booster President, Judy Gardner (gard7026@bellsouth.net).

**Thank you for supporting the Alpharetta High School Band!**
