

**ALPHARETTA HIGH SCHOOL BAND BOOSTERS**  
**2011-2012 Band Registration**

Who needs to register?	Registration is for all members of marching and concert band. Color Guard is part of marching band and will need to register as well.					
Why do we register in the Spring?	Registration in the spring is part of the planning and preparation process in order for the instructors to know how to plan for marching band which starts in the summer and for concert band starting in the fall. All marching band programs are built based on the number of members and the programs have already started being prepared but can't be finalized until we understand the total enrollment.

There will also be additional fees if there is an additional trip taken by the band and your student participates in this trip. The trip expenses will be handled separately and determined based on the trip and the number of students participating.
